

## **PENNINE & SCOTTISH FRENCH BULLDOG ASSOCIATION**

**29th August 2021**

I always consider it a great honour to be invited to judge a breed club show, special thanks to Jackie Mavro and her hard-working committee it takes a lot of organising and they have to do it all again in a few weeks' time at Darlington! I enjoyed the judging, well I love the breed!

### **MINOR PUPPY DOG**

1st. TIMMS & HENDERSON, Olijah Total Knockout

Dark brindle puppy who stood alone but more than deserved his win here, correct square head, lovely expression, super well placed large ears, good bone and true front, he is well bodied, he does have a gentle roach but don't overstretch him it flattens it, sound little mover.

### **PUPPY DOG (5) 1ab**

1st. CUND & HARROP. Chelmbull Rocket Man

Super little showman, well marked Brindle, his head is typical & square, dark expressive eyes, well padded muzzle excellent fit and width of underjaw, he has good bone and feet, good spring of rib, ideal body length a nice width of stifle, his movement is sound and free. Best Puppy Dog. Unfortunately he couldn't make it back to challenge for best puppy in show as it clashed with the group of the general championship show which he won and then went on to Best in Show! So very well done what a fabulous win!
